

Orange Sky supports **people experiencing homelessness or hardship** through access to free laundry and shower services, as well the opportunity for regular connection.

We provide a supportive, welcoming and inclusive space for anyone experiencing loneliness or disconnection from the community, with a focus on improving hygiene, health and quality of life.

Cass' Story

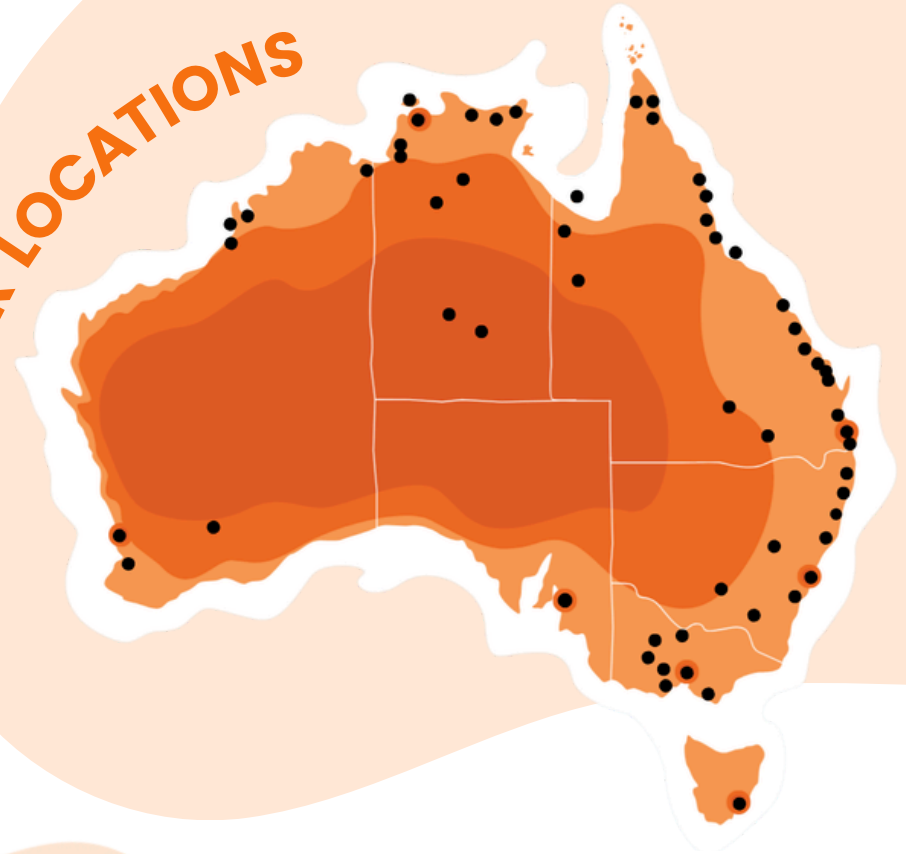

For Cass, Orange Sky's weekly shift isn't just a chance to do laundry - it's a moment to feel seen, heard and supported by a community that cares.

Cass heard about Orange Sky from others who, like her, were living in their vehicles. They introduced her to the local community centre, where Orange Sky's bright orange van pulls up every Friday.

"[Orange Sky] services have been absolutely invaluable."

"It just turns an ordinary day into something a little bit special. You get treated like part of the family."
