

Chatterbox Activity

Start conversations to get to know your friends, family or classmates!

Using our chatterbox:

- 1 Print and cut the square along the dotted line.
- 2 Turn the square over, so the pictures are face down.
- 3 Fold each corner neatly to meet each other in the middle of the square.
- 4 Turn the square over again and fold corner to the middle once more.
- 5 Fill in any blank spaces with your own questions!
- 6 Use your chatterbox to get to know people!

Remember

It's important to listen and be free of judgement!
