

Fundraising

ideas!

REGULAR WASH

Some simple ways to get donations tumbling in:

- **Start a fundraising page** – it's an easy way to share your fundraising mission and receive donations!
- **Get social** – share your fundraising with your networks, whether via social media, a quick text message or a humble email.
- **Start simple** – sausage sizzles, bake sales, raffles, fancy dress days or gold coin collections are simple ways to get fundraising started on our own or as a group.

EXTRA RINSE

Time to bring out the big guns and raise some serious funds:

- **Host a gathering** – breakfast, lunch, or dinner; combining food and a good cause will bring out the best in us to raise funds.
- **Garage sale** – we've all got stuff we're hoarding but are never going to use! Why not sell it and donate the proceeds.
- **Get your workplace or school involved** – reach out to your work or school and organise a lunchtime event to help raise funds!
